Time consuming & much effort

Event Muslim

Islamic event management platform based on website where user can **books tickets online** as attendee or **posts their events** as organizer.

Explore

Apply

Pay

The screenshot shows the Event Muslim website interface. At the top, there is a navigation bar with the logo, a search bar, and buttons for 'Telusuri', 'Bantuan', and 'Daftar Akun'. Below the navigation bar, there is a section titled 'Mempererat Silaturahmi Umat Muslim' with a sub-section about attending kajian and events. A green arrow points from the 'Explore' text above to this section. To the right, there is a large image of a group of people at an event, with a green arrow pointing from the 'Pay' text above towards it.
